AOC Commercial Display

98U2053

The AOC U-Line displays offer extra-large screens that are perfect for commercial signage, cinemas, shopping mall use and more. Screens of this type need to be eye-catching and efficient to use to achieve commercial goals, and as such, they embrace innovative cutting-edge features – including thin bezels, Ultra HD resolution, multiple compatibility options (e.g. with HDMI connectivity or Android 6.0), stereo speakers, AOC cloud support, and more.

Features

Crisp resolution like you've never seen before

Appreciate signage quality like never before thanks to 4K UHD quality (3840 x 2160 pixel) resolution. Image quality and color transitions are so refined, so lifelike, it's like a window to a new world.

4-sided Even Bezel Design

With even bezels on all 4 sides, the signage delivers an immersive and seamless viewing experience.

Portrait, Landscape Orientation

Enjoy the flexibility to swap between orientations while tailoring the screen setup to your venue, audience and style.

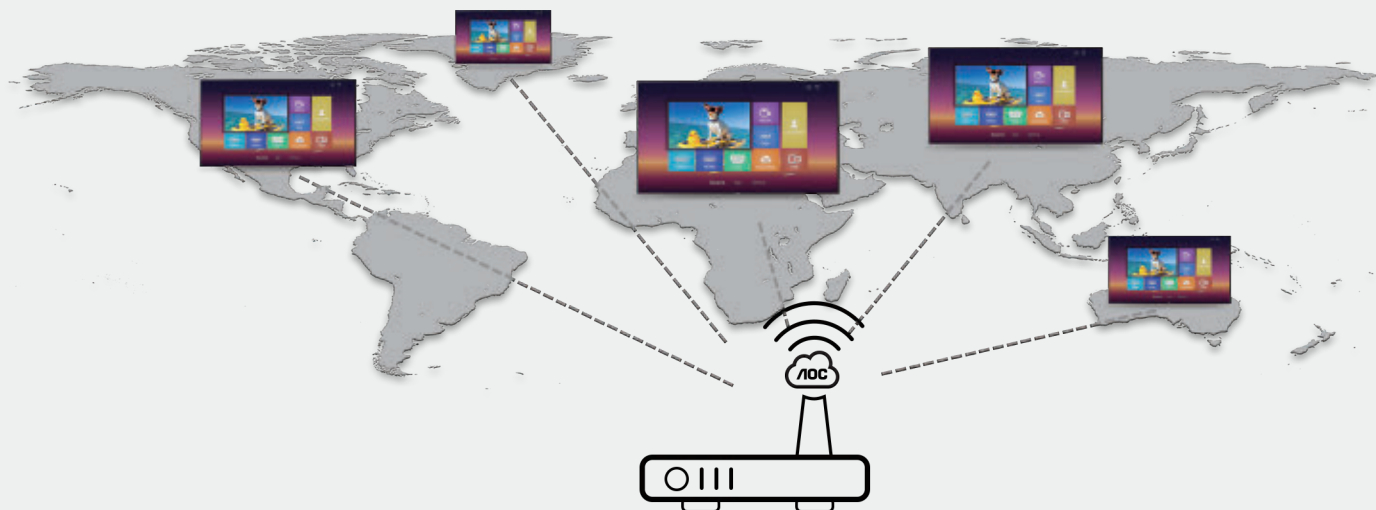

High Brightness

Featuring with up to 500 nits, AOC U Line displays produce clearly readable images which may easily be seen in storefront windows and other brightly lit indoor environments.

Create, Manage and Publish Content with Ease
