

AOC

V Line

Value Signage

AOC Commercial Display

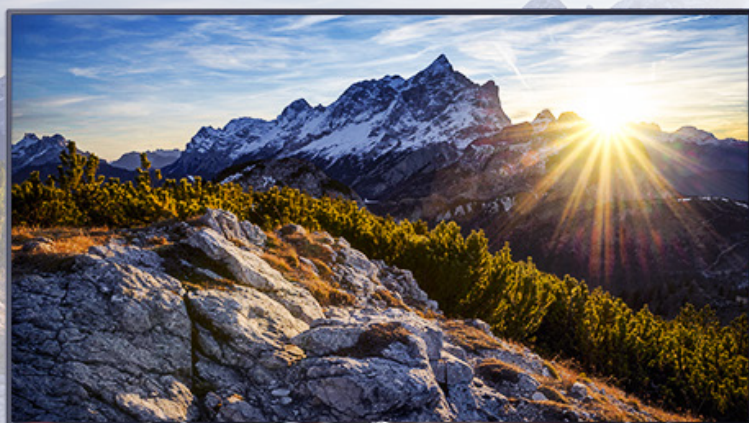

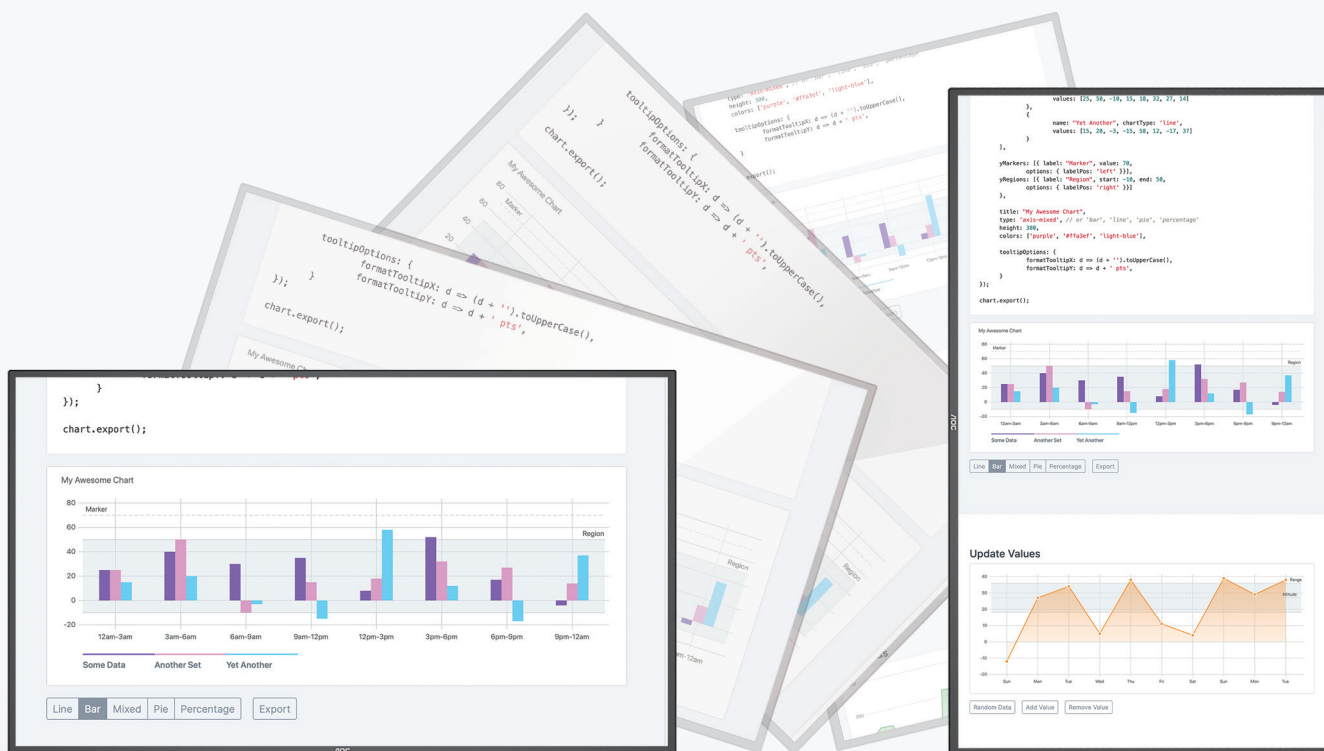

42V7050 / 49V7050 / 55V7050

The AOC V Line is a Full HD premium display delivering top-notch performance 24/7 with high flexibility. Equipped with 500 nits typical brightness, the display easily captures target audiences attention. AOC Cloud CMS ensures all content is easy to create, manage and publish. With a super thin 4-sided bezel design, the screens can simply connect to a variety of display setups via Daisy Chain mechanism.

Features

42" 49" 55" Landscape / Portrait Large Size Displays

Enjoy a high-quality picture at three different sizes – complete with the added flexibility to display content in either Landscape or Portrait orientation.

24 / 7 hours

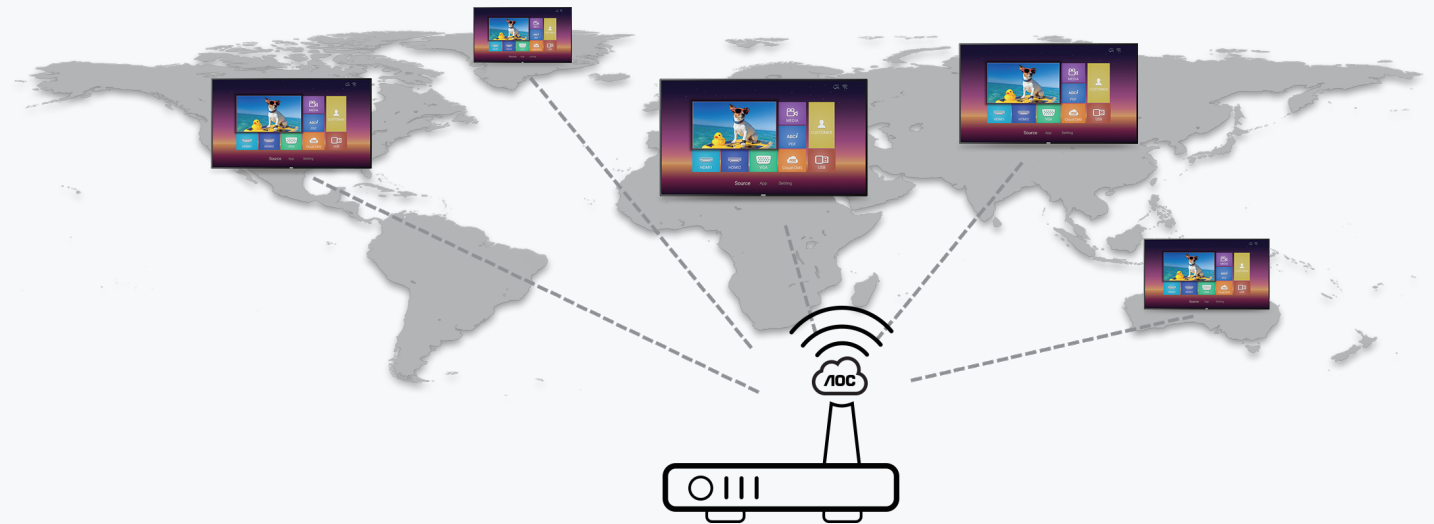

Built and engineered to display vivid images and clear messaging with 24/7 reliability and stability.

500 nits typical

To ensure the screen's content captures your target audiences attention, it is built with the capability to display at an above average 500 nits of brightness.

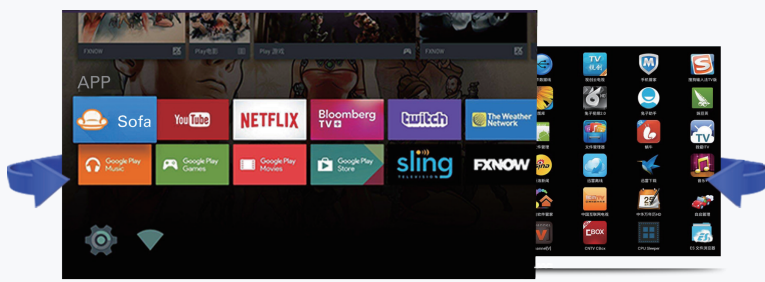

Supports AOC Cloud CMS

Make all your content easy to create, manage and publish at a range with AOC Cloud CMS.

4 side even bezel / Tiling Daisy Chain

With a thin and even 4-sided bezel, the screens can be connected using a single connection between each two devices, allowing for a variety of uses and display setups.

Android 5.1

Android 5.1 compatibility ensures a wide range of apps can be accessed to unlock new possibilities and options for how displays are used.
