► Features

High quality viewing

Picture quality matters. Regular displays deliver quality, but you expect more. This display features enhanced Full HD 1920 x 1080 resolution. With Full HD for crisp detail paired with high brightness, incredible contrast and realistic colors expect a true to life picture.

Direct access to the on-screen display settings

AOC's i-Menu allows direct access to the monitor's on-screen display settings utilizing a mouse.

Designed with wide viewing angles

IPS displays deliver 178/178-degree viewing angles while maintaining consistent image quality and colors from all viewing positions. You can also view your spreadsheets or weekend movies from virtually any angle without compromising color uniformity.

Connectable with other devices

HDMI compatibility unlocks a wider array of connectivity options for users, including gaming consoles, laptops, Blu-Ray players, and more.

USB-C technology carries both the power and the display signal in one cable

One cable is all you need. USB Type-C™ technology carries both the power and the display signal and data to the screen in one simple cable. It provides an ultra-clean, sleek look and convenience of a one-cable connection.

Foldable Smart Cover

In line with the sleek and modern design of the 16T10, the Smart Cover folds around the monitor for protection from scratches and dirt, while also providing a stand when necessary.

► Specifications

Model Name	16T10
Panel	15.6" (IPS)
Pixel Pitch (mm)	0.17925 (H) × 0.17925 (V)
Effective Viewing Area (mm)	344.16 (H) × 193.59 (V)
Brightness (typical)	250 cd/m ²
Contrast Ratio	800 : 1 (Typical) 50 Million : 1 (DCR)
Response Time	5ms (GtG)
Viewing Angle	178° (H) / 178° (V) (CR > 10)
Optimum Resolution	1920 × 1080 @ 60Hz – USB-C, HDMI
